

“Success”

To laugh often and much,
to win respect
of intelligent people
and the affection of children;
to earn the appreciation
of honest critics
and endure the betrayal
of false friends;
to appreciate beauty,
to find the best in others;
to leave the world a bit better,
whether by a healthy child,
a garden patch or a redeemed
social condition; to know
even one life has breathed easier
because you have lived.
That is to have succeeded.

In our ongoing effort to honor Mark's memory, we have established a Memorial Scholarship at St. Joseph's High School that has been awarded annually since May of 2002. This scholarship is available to any Junior Class student - male or female, who fits the criteria that was established the first year. That student should do well academically, show some leadership qualities and most importantly, fulfill a rewarding role in community service.

This scholarship is not only open to athletes, nor is it only available to National Honor Society members, but to a student who, much like Mark, knows the value of quality academic grades and recognizes the positive contribution that he or she can make in our society.

We realize the sacrifice that parents make to send their children to St. Joseph's School. In an effort to assist them, we offer this scholarship for senior year tuition so those parents can possibly save that money for college.

We thank you for your continued interest and support for this scholarship, and we hope to continue this indefinitely.
